

VIACRETE TILE CLEANER

PRODUCT DESCRIPTION:

Viacrete Tile Cleaner is a high-performance, fast-acting cleaning solution designed to remove cement residue, grout haze, dirt, grease, and mineral deposits from tile and stone surfaces. It is suitable for post-installation cleaning as well as routine maintenance. This formulation is inspired by industry-standard cleaners like Tile Cleaner shown in your reference, which effectively removes cementitious stains and surface contaminants.

Technical Details

Parameter	Specification
Appearance	Clear / Light Yellow Liquid
Odour	Mild acidic
pH Value	2 – 4 (Acidic)
Specific Gravity	1.00 – 1.05
Viscosity	Low (Free flowing liquid)
Solubility	Completely soluble in water
Coverage	Up to 5–6 m ² /L (undiluted)
Dilution Ratio	1:2 to 1:10 (depending on stain)
Shelf Life	12 months

KEY FEATURES & BENEFITS

- ✓ Fast removal of cement residue and grout haze
- ✓ Effective on tough stains, grease, and dirt
- ✓ Enhances tile surface appearance
- ✓ Suitable for indoor & outdoor applications
- ✓ Easy to apply and rinse
- ✓ Compatible with most ceramic and vitrified tiles

RECOMMENDED USES

- ✓ Ceramic tiles
- ✓ Vitrified tiles
- ✓ Bathroom & kitchen surfaces
- ✓ Newly installed tile cleaning
- ✓ Construction site cleaning
